Letter of recommendation

To whom it may concern,

It is my pleasure to write this letter of recommendation on behalf of our student **Mr Mojsiejuk Wojciech**, who has been selected for the participation in the *CHINA-EURO Academic Credit Exchange Scholarship at Tianjin University of Technology in China*.

The student is currently studying at course Computer Science at Faculty of Computer Science, BUT (Bachelor Degree). I find his performance at our university as satisfactory and highly commendable, what is reflected in his academic achievements and records. The student has an excellent skill both in written and spoken English. What is more, the student attends the Chinese language course organized by Confucius Classroom (Center for Polish-Chinese Cooperation at Białystok University of Technology).

I academically and personally recommend **Mr Mojsiejuk Wojciech** as the participant of the mentioned scholarship. I truly hope the student will be accepted to Tianjin University of Technology scholarship programme.

Yours sincerely,
