

**Letter of Recommendation**

6.5.2022

To whom it may concern,

This letter of recommendation certifies that the below-mentioned student is an officially registered student at LUT University with good academic standing.

The student plans to attend Seoul National University of Science and Technology for fall semester 2022.

**Mr. Wojciech Mojsiejuk (30.01.1997)**

LUT University confirms that the student has sufficient proficiency in English to communicate well both verbally and in writing to take academic courses instructed in English.

I am confident that Mr. Mojsiejuk will be able to utilize and deepen his previous academic knowledge while studying at Seoul National University of Science and Technology and I recommend him to study as an exchange student with all my heart.
